Document Checklist For Student Application

Dear Parent/ Guardian

For the application phase, it is important that the review team are able to learn more about your family and child/children. To ensure swift review, please do ensure that the following documents are provided at the application stage of the admissions process:

- ◇ Passport photo page of the student
- ◇ Passport photo page of each parent/guardian
- ◇ Valid documentation of the student to reside in mainland China
- ◇ Valid documentation of each parent/guardian to reside in mainland China
- ◇ Official school reports in English of the student for the past two years (if applying for Grades 2 and above)
- ◇ Immunization record
- ◇ Any detailed specialist report if Special Education Needs are identified on the Application Form (optional)
- ◇ Any additional information you feel may provide further information regarding the family and child (achievements in academics, sports, arts, community service, recommendation letter) (optional)

Should you require further information or assistance, please do not hesitate to contact a member of our Admissions team:
